PIPE HOOPS for REMAY FABRIC TENT

DIMENSIONS: APPROX. 4' x 8'

(\* not drawn to scale)

Feb. 2011

CUT REMAY FABRIC 6' wide X 13' long.

RIP 2x4x8' boards lengthwise about 1" from the edge. (OR, you may substitute two 2x2x8' boards for each 2x4)

SPREAD out the Remay fabric on a flat surface. FOLD the fabric around the outer piece of the 2x4, then fasten the pieces together with nails.

2x4x8', ripped lengthwise. Sand any sharp or rough edges.
